1. [REDACTED] Comment. Presumably signal vehicles of the GOFG which, after the completion of the known command-post exercise, probably went to Wuensdorf. 25X1A

2. [REDACTED] Comment. Probably detrainning of units of the 25th RL Brig which, on 12 September, had transferred to Utengrabow under shipment-record No 61775/776 and, according to reports on transportation, returned on 15 September under shipment-record No 61777/778. 25X1A

3. [REDACTED] Comment. The [REDACTED] are carried with the GOFG. 25X1A
25X1C

4. [REDACTED] Comment. The loading involved units of the 10th Gds Tank Div, and with shipment record number and place of destination, was confirmed by railroad records. It is not impossible that fall maneuvers are taking place in the north portion of Letzling Heath; they may involve the elements of the abovementioned division which remained at the post. 25X1A
